

AWD712SOC

7KG AIR VENTED DYER

FEATURES & BENEFITS

15 DRYING CYCLES

With a wide range of drying selections, you have a cycle for almost all kinds of different fabrics.

START DELAY

The Start Delay feature allows you to set the perfect timing for your drying cycle, so you can fit it into your lifestyle and get the most out of your machine. With our 12-hour delay setting, you can simply program and forget until it's time for your clothes to come out perfectly dry.

SHOE DRYING

With the installed shoe rack that remains fixed while the drum rotates, you can easily dry your shoes and sweaters without them tumbling.

HALF LOAD

Drying a small load? The Half Load feature allows you to adjust the cycle time for smaller loads for a quicker or longer drying time.

2 YEAR WARRANTY

Guarantees peace of mind and value for money knowing that any product fault or defect is covered by full replacement to ensure the product works as described.
