

MWP298BAUS

29L FREESTANDING MICROWAVE WITH AIRFRY

FEATURES & BENEFITS

AIRFRY

The Air Fryer function enables you to enjoy healthy, tasty food at the touch of a button.

ROTISSERIE

The detachable rotating rotisserie bar, controlled by an independent motor, ensures evenly roasted results.

FORCED AIR

This technology forces hot air into the cavity and cooks without using the microwaves, just like a traditional oven.

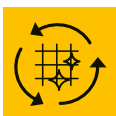

QUARTZ GRILL

Uses less energy, but heats up faster (in 60 seconds), preparing food 3 times faster than a traditional infrared grill. The grill can also burn away any food and dirt residue, making it self-cleaning.

CHEF MENU

Pre-set programs to make cooking a completely intuitive experience.

AUTO CLEAN

Automatic Easy to Clean Function. Direct Access on the control panel. No use of chemicals needed.

2 YEAR REPLACEMENT WARRANTY

Guarantees peace of mind and value for money knowing that any product fault or defect is covered by full replacement to ensure the product works as described.
