

W Collection

WDFS3L5PIXAU 60CM 15 PLACE SETTING FREE-STANDING DISHWASHER

FEATURES & BENEFITS

6TH SENSE TECHNOLOGY

With 6th sense technology, it automatically senses how dirty the dishes are and adapts the cycle time and water pressure accordingly. It ensures to provide the perfect performance with water, energy & time saving.

POWER CLEAN PRO

Powerful water jets on the rear of the machine work to deliver supreme cleaning results on the toughest soil.

MAXI-SPACE

Thanks to the Maxi-Space, the dishwasher provides you with a larger internal usable space that offers you greater ease and versatility to fit all your soiled dishes within.

HALF LOAD

If there are not many dishes to be washed, a half loading may be used in order to save water, electricity and detergent.

SANITIZATION

Thanks to Sanitization option, it could eliminates 99.999% bacteria and provide more HYGIENE experience

NATURAL DRY

The automatic door opening at the end of the program ensures better and more natural drying. This system guarantees higher energy efficiency and better drying results.

FLEXIBLE UPPER RACK

The height of the upper rack can be adjusted according to your needs: high position to place bulky crockery in the lower basket and low position to make the most of the tip-up supports by creating more space upwards and avoid collision.

TECHNICAL SPECIFICATIONS

COLOUR / FINISH	Stainless Steel Color
DISPLAY	LED Display
CONTROL	Touch UI
