

Big on width. Big on features. Big on output.

AKT915IX

90cm Stainless Steel Gas Cooktop

- 90cm cooktop
- 4 burners plus one wok burner, with natural/LPG conversion.
- 4 crown Wok burner: a 14.8mj wok burner that outperforms all others with 4 rings of flame. 4 crowns gives better heat distribution and quicker heating times.
- 3 cast iron trivets.
- Easy to use front controls with increased safety, as you do not have to lean across the hob to adjust the heat settings.
- Laser etching. All of our serigraphy is laser etched which means they will never rub off.
- Stainless steel caps on knobs, for perfect styling.
- Safety: flame failure device on all burners

Number One Appliance Manufacturer in the World.
