

WB10037

10KG TOP LOAD WASHER

FEATURES & BENEFITS

CUSTOM PROGRAM

This washing machine is equipped with a fuzzy logic function that automatically chooses certain wash cycle process for the Normal, Heavy Duty, Custom and Wool programs.

ULTRASONIC FUNCTION

This top load washing machine is equipped with an ultrasonic pump, which generates vibrations into the wash tub. These vibrations help remove stains and dirt reducing the required amount and wash time.

PRESET TIMER

This washing machine has a 0-24 hour preset function, which allows you can set to determine the time the washing program will finish.

MEMORY FUNCTION

When you run the Normal, Custom, or Heavy Duty program, the machine memorises your settings for the next time you select it.

BLANKET WASH

A program with adjustable water level for washing blankets and other bulky items.

CHILD LOCK

With the child lock activated, the machine will stop working automatically and sound an alarm if the washer lid is opened for 4 seconds.

WARRANTY

2 Year Warranty on Parts and Labour
