## FRESHCARE+ 9KG HEAT PUMP DRYER

### FEATURES & BENEFITS

#### FRESHCARE+

You no longer need to adapt your schedule to the laundry chores and to be present at the end of the cycle and to unload the dryer immediately. Whirlpool FRESHCARE+ dryer keeps clothes soft and fresh for hours after the cycle is complete protecting them from odours and creasing. Unloading the dryer is no longer so urgent and it's finally possible to better manage your free time without giving up on freshness

#### WOOLMARK BLUE

The FreshCare+ tumble dryer allows to easily and safely dry all woolen garments. With the wool cycle which guarantees delicate drying that respects the beauty of the finest woolen sweaters labeled "hand wash", maintaining them soft and smooth as new. The cycle is endorsed by the Woolmark Company: A++ FreshCare+ Dryer gaining the prestigious Woolmark Blue Certification after a test on the percentage of felting.

#### SENSE INVERTER MOTOR

A highly energy efficient motor working at variable speed, allowing more advanced performances and thus special care for fibers.

#### GENTLE DRYING

Gentle treatment of the laundry with a lower drying temperature.

#### WARRANTY

Guarantees peace of mind and value for money knowing that any product fault or defect is covered by full replacement to ensure the product works as described.
